

Retraction

Retraction of: Pan, Liurong, Alshalabi, Riyadh, Li, Pingfen, Naminse, Eric Yaw and Tan, Fuqiang. "Analysis of digital humanistic knowledge production based on natural language processing" Applied Mathematics and Nonlinear Sciences, vol.0, no.0, 2023, pp.-. <https://doi.org/10.2478/amns.2022.1.00029>

DOI: <https://doi.org/10.2478/amns.2022.1.00029>

Reasons for retraction: Due to strong technical reasons, the code we used could not reproduce the current results. And there are also many bugs after code debugging. In addition, our paper data also showed a strong lag. For the above technical reasons, we ask the journal to reject this paper and publish a rejection notice.
